Do I need to register?
No. There is no need to register. You can use these services when it is convenient and keep registered with your usual GP practice. However if you would like to register locally we can provide information to help you with this.

What services will be provided?
We will see people of all ages including babies and children.

We are able to help you with:
✓ Minor illnesses and infections
✓ Skin complaints
✓ Coughs, colds and flu-like symptoms
✓ Stomach ache, indigestion, constipation, vomiting and diarrhoea
✓ Muscle and joint strains and sprains
✓ Hay fever, bites and stings
✓ Women’s health problems and emergency contraception
✓ Common complaints that you would normally see a GP for

If you are seriously unwell, we recommend that you call 999 for an ambulance or go straight to Accident & Emergency. This includes:
!! Severe chest pain
!! Severe breathing difficulties
!! Serious head or other injuries
!! Overdose of drugs, medication or chemicals
!! Road traffic accidents

Our services do not replace hospital or your own GP services, but complement them. We will send a record of your consultation to your registered GP.

Is the service free?
Yes. The service we offer is completely free for patients entitled to NHS treatment.
